

Your mobile and online banking experience enhanced.

MILLENNIUM
BANK

KEY FEATURES

Your money wherever you need it

Our application works across your devices and is developed with industry-leading technology to deliver a smooth experience.

View balances and transactions

Search for transactions, add a note or an image, and filter by tags. Understand your activity and find what you're looking for—fast.

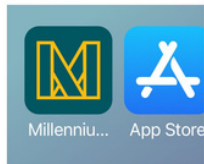

Native apps for iOS and Android

Truly native apps providing a superior experience on all phones and tablets.

Mobile bill pay and person-to-person payments

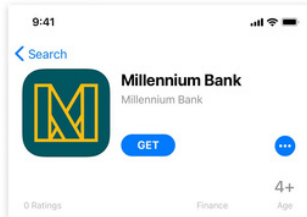

Pay bills or send money to friends and family quickly and securely.

iOS App Icon

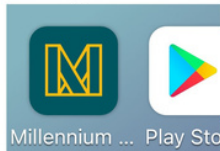

*Long names will truncate on the home screen. How long will depend on the device and user's font settings. iOS will remove spaces from long names.

iOS App Store

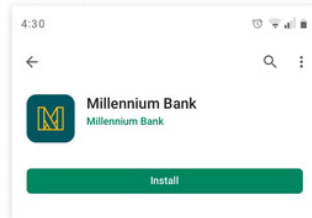

Android App Icon

*Android app icon shape is dependent on the hardware device's settings. It may be cropped to a circle, rounded square or a 'squircle' as shown above.

Android Play Store

On November 20, you'll be able to manage your finances wherever you go with our new mobile app and enhanced online banking experience.

Get ready for a seamless, secure and convenient way to bank on the go or from home!

**All information used to previously access your online banking will be securely transported to the new system. You will not be required to set up a new account.*

Available at millenniumbank.com
or through iOS and Android as
"Millennium Bank MB".
